Dear Sir:

This communication is responsive to the Office Action of April 28, 2003.

REMARKS

Claims 1-19 are presently active.

Applicant thanks the Examiner for the obvious effort expended on this matter.

The Office Action requires Applicant to add a "Brief Summary of the Invention" to the application. However, Applicant would like to kindly point out that both the M.P.E.P. and 37 C.F.R. §1.73 do not **require** the presence of a "Summary of the Invention" in a patent application. They merely indicate where in the application the "Summary of the Invention" should be placed **if** Applicant were to include one.

In particular, 37 C.F.R. §1.73 only states that "[a] brief summary of the invention ... should preclude the detail description." 37 CFR § 1.73 does not state "must" or "shall." Accordingly, Applicant has elected, as is permissible under the M.P.E.P. and 37 C.F.R. §1.73, not to include a "Brief Summary of the Invention".
